2013-2014 Budget - Salaries were discussed at length. Matthew received a .25¢ raise after 3 months (September) and another .25¢ after 3 more months (December). When he gets his Class C license, he will receive a .50¢ raise and when he gets his Class D license, he will receive another .50¢ raise. The last license he is required to get is a class 2B. At the time he gets that, he will get a \$1.00 per hour raise. This has no effect on the yearly raise that all employees may receive in March
